

SCHOLARSHIP APPLICATION

ACADEMIC YEAR 2026-2027

Purpose:

The CSI Atlanta Chapter Foundation provides an annual scholarship to qualified students who are pursuing a post-secondary education in the field of architecture, building science, construction-related engineering disciplines, interior design, or other construction-related, nationally accredited Bachelor's Degree programs. The CSI Atlanta Chapter Foundation awards this scholarship to encourage and assist students majoring in these chosen fields of study so that they may, in turn, continue to further the goals and exemplify the ideals and mission of the Construction Specifications Institute, which is to advance building information management and education of project teams to improve facility performance.

Terms:

Scholarship(s) are for the current academic year 2026-2027. The number and quantity of scholarships to be awarded will be based on the number and relative qualifications of applicants, and availability of funds. The Board of Directors reserves the right to reject any or all applications for any reason.

Eligibility Requirements:

1. Minimum grade point average of 2.7 or higher on a 4.0 scale.
2. Must be a Georgia resident
3. A freshman or sophomore in college enrolled to study architecture, building science, construction-related engineering discipline, interior design, operations management, project management, construction technology, construction management, supply chain management, drafting, manufacturing engineering – don't see your field of study listed here even though it's construction/building science related? Contact us!
